Conference Courses

In 2023, we are trying to organize our EMS continuing education courses to match the renewal requirements.

Preparatory/Operations	3 Hours
Airway, Respiration, and Ventilation	4 Hours
Cardiovascular Emergencies	5 Hours
Medical Emergencies	7 Hours
Trauma Emergencies	6 Hours
Special Considerations/Pediatric	6 Hours

As a fun and free conference, we rely on the generosity of our instructors so we will update the schedule as they let us know which courses and times they will be teaching. We expect to have the first list of courses out early next week.

Happy Birthday Region II EMS

It is hard to believe that Region II EMS was founded in 1983 and we will be celebrating 40 years of service at our conference in 2023.

We will eat, drink, blow out the candles, and wish for another 40. We will recognize some of our best friends along the way. We will remember those we lost and those still here serving New Mexico! We will celebrate with you!
